

PURPOSE

To ensure that parent payment practices are consistent, transparent and ensure that all children have access to the standard curriculum.

RATIONALE

The Victorian community shares a vision to build an education system that champions excellence and ensures that every child and young person has access to the opportunities to succeed in life, regardless of their background or circumstances.

Colleges are best placed to make local decisions which ensure that all students can access a broad range of learning opportunities that support their expectations and promote their aspirations as they move through the education system. Parent contribution, in all forms, assists Colleges to provide an enriched learning and teaching program for every student and is highly valued by College communities.

Learning and teaching programs vary across Colleges based on local needs and circumstances and reflect each College's priorities, decisions and resources. This, in turn, informs the parent payment charges approved by College councils that may vary from one College to the next.

WHAT CAN COLLEGES CHARGE FOR?

The Education and Training Reform Act 2006 provides for instruction in the standard curriculum program to be free to all students in government Colleges. College councils are responsible for developing and approving College-level parent payment charges and can request payments from parents¹ under three categories only- Essential Student Learning Items, Optional Items and Voluntary Financial Contributions.

Essential Student Learning Items (Part 1.2 & 1.3) are those items, activities or services that are essential to support student learning of the standard curriculum. These are items that the College considers essential for all students and which students take possession of. Parents may choose to provide the items themselves or buy the items from the College where practical and appropriate.

Optional Items are those items, activities or services that are offered in addition to or support instruction in the standard curriculum program. These are provided on a user-pays basis so that if parents choose to access them for students, they are required to pay for them.

Voluntary Financial Contributions

Parents can be invited to make a donation to the College for a general or specific purpose, e.g. College grounds projects, library fund or for new equipment. Only some Voluntary Financial Contributions are tax-deductible.

The attached diagram "Understanding Parent Payment Categories" provides examples of items and materials under each category.

In implementing this policy, Colleges must adhere to the following principles:

¹ Parent' in the policy has the same meaning as in the *Education and Training Reform Act 2006*, which is: 'parent', in relation to a child, includes a guardian and every person who has parental responsibility for the child including parental responsibility under the *Family Law Act 1975* of the Commonwealth and any person with whom a child normally or regularly resides.

PRINCIPLES

- **Educational value:** Student learning, aspirations and wellbeing are paramount when Colleges determine their parent payments practices
- **Access, equity and inclusion:** All students have access to the standard curriculum program and participation of all students to the full College program is facilitated
- **Affordability:** Cost to parents is kept to a minimum and is affordable for most families at the College
- **Engagement and Support:** Early identification and engagement strategies by the College ensure parents are well informed of the payment options and supports available for those experiencing hardship
- **Respect and Confidentiality:** Parents and students experiencing hardship are treated with respect, dignity, sensitivity and without judgement and the identity and personal information of all parents and students are kept confidential in respect to parent payments
- **Transparency and Accountability:** College parent payment practices are well communicated, clear and transparent and their impact on student programs and families are reviewed by College councils

COST AND SUPPORT TO PARENTS

When College councils consider the proposed requests for parent payments the cost is kept to a minimum and is affordable to most parents at the College.

College principals must ensure that:

- items students consume or take possession of are accurately costed
- payment requests are broadly itemised within the appropriate category
- parents are advised that they have the option of purchasing equivalent Essential Student Learning Items themselves, in consultation with the College
- information on payment options is available, accessible and easily understood to all parents so that they know what to expect and what supports they can access
- parents are provided with early notice of annual payment requests for College fees (i.e. a minimum of six weeks' notice prior to the end of the previous College year). This enables parents to save and budget accordingly.
- parents are provided with reasonable notice of any other payment requests that arise during the College year- ensuring parents have a clear understanding of the full financial contribution being sought
- the status and details of any financial arrangements are kept confidential and only shared with relevant College personnel
- parents experiencing hardship are not pursued for outstanding College fees from one year to the next
- use of debt collectors to obtain outstanding College funds owed to the College from parents is not permitted
- there will be only one reminder notice to parents for voluntary financial contributions per year
- Invoices/statements for unpaid essential or optional items accepted by parents are not generated more than monthly or according to the parent payment arrangement with the College.

SUPPORT FOR FAMILIES

Families may experience financial difficulties and may be unable to meet the full or part payments requested. Principals and College councils exercise sensitivity to the differing financial circumstances of students and their families when considering parent payment fees. There are a range of support options available to support and assist parents. These can be accessed through "[Cost support for families.](#)" (see attachment)

Second-hand strategies (details taken from 'cost Support for families')

Colleges need to be aware of second-hand options available for items commonly required by students and communicate these to parents (e.g. uniforms, stationery).

Second-hand options may include:

- 'Second Hand School Specialists' which works with the College. You can buy and sell your second hand school stuff through the 'Second Hand School Specialists'. For more information visit their website www.secondhandschoolspecialists.com.au

Government Assistance Programs

The College appreciates that families may sometimes experience financial difficulties in meeting requests for payments and contributions. Support options are available to assist parents, including Camps, Sport & Excursions Fund (CSEF) and State Schools' Relief Committee support.

- The [Camps, Sports and Excursions Fund](#) provides payments for eligible students to attend camps, sports and excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply and a Special Consideration eligibility category also exists.
- [State Schools' Relief](#) may cover the cost of new College uniforms, shoes, books and more for disadvantaged students. State Schools' Relief only responds to requests from College principals, assistant principals or welfare coordinators. Parents or Carers who are struggling need to make an appointment with the College to discuss their situation.

Commonwealth Family Assistance

The Commonwealth Government provides a range of payments and services to help families look after their children's health, education and other family issues.

- The Child Care Benefit helps eligible families with the cost of outside College hours care, vacation care and registered care. For more information about eligibility and making claims, see Centrelink: [Child Care Benefit](#)
- To be eligible for either of the Family Tax Benefits, A or B, or a Parenting Payment, families must meet an income test. For more information, see: [Centrelink: Families](#)
- [Health Care Card](#) provides help with the with the cost of prescription medicine under the Pharmaceutical Benefits Scheme, Commonwealth-funded medical services, and access to state, territory and local government concessions. Families may be eligible for a Health Care Card if they receive specific Commonwealth payments or supplements or the maximum rate of Family Tax Benefit A.
- [Centrepay](#) is a free, voluntary service for Centrelink customers to pay expenses as regular deductions from their Centrelink payments. Centrepay can help families to pay for many types of

bills, such as education fees and expenses, child care, rent, electricity, gas and water bills, or medical services.

Other support options

Parents and guardians will be provided with early notice of payment requests for essential education items, optional extras and voluntary financial contributions (a minimum of SIX weeks' notice prior to the end of the previous College year).

Payments are kept to a minimum with payment requests and letters fair and reasonable. To further assist parents with payments, payment options have been developed:

- Option A **Part 1.2 Full amount at the start of the new College year**
- Option B **Part 1.2 Part Payment-Half-Half by week 2 of Term 1 and half by week 8 of Term 2**
- Option C **Other payment arrangements***
*(Please make an appointment with Rob Nelson, Principal or Fran Dillon, Business Manager to discuss other payment arrangements.)

Consideration to hardship arrangements in respect to payment requests is provided to families experiencing long term hardship or short term crisis on a confidential, case by case basis. All Colleges have written hardship arrangements that include a proactive approach to providing support for parents experiencing financial difficulty.

All parents are provided the name and contact details of a nominated parent payment contact person at the College who they can discuss payment arrangements with.

ENGAGING WITH PARENTS

In respect to each College's development of its parent payments, College councils will engage in effective communication with the College community and have strategies in place to ensure they are aware of and understand the needs and views of parents.

REVIEW OF POLICY IMPLEMENTATION

Colleges will monitor the effectiveness and impact of the implementation of this policy at least annually as part of its ongoing improvement and report back to the College community.

The full Parent Payment Policy is available from the Department's [College Policy and Advisory Guide](#). Answers to the most commonly asked questions about College costs for parents see: [Frequently Asked Questions – For Parents](#)

REVIEW CYCLE AND EVALUATION

This policy was last updated **August 2018** and is scheduled for review in **August 2019**.

Understanding Parent Payment Categories

Schools

What does the legislation say?

The Education and Training Reform Act (2006) provides for free instruction in the standard curriculum program to all students in government schools. The Act also empowers school councils to charge fees to parents for goods and services provided by the school to a child.

In the Act, a 'Parent' includes a guardian and every person who has parental responsibility for a child including parental responsibility under the Commonwealth Family Law Act 1975 and any person with whom a child normally or regularly resides.

What do schools pay for as part of 'free instruction'?

Free instruction is the teaching staff, administration and the provision of facilities in connection with the instruction of the standard curriculum program, including reasonable adjustments for students with disabilities.

The standard curriculum for Years F-10 means implementation of the Victorian Curriculum F-10.

The standard curriculum for senior secondary schools means a program that enables a student to be awarded a VCE or VCAL qualification.

What principles govern parent payment practice?

Educational Value | Access, Equity & Inclusion | Affordability
Engagement & Support | Respect & Confidentiality | Transparency & Accountability

Parents

What may parents be asked to pay for?

Schools can request payment for Essential Student Learning Items

These are items, activities or services that the school deems **essential** to student learning of the standard curriculum.

Where practical and appropriate, parents may choose to purchase items through the school or provide their own.

These may also be either:

Items the student takes temporary or permanent possession of

- e.g.
- textbooks, activity books, exercise books
 - stationery, book bags
 - student ID cards, locks
 - cooking ingredients students will consume
 - materials for final products that students take home (technology projects, build-your-own kits, dioramas)
 - Picture Exchange Communication Systems

Activities associated with instruction that all students are expected to attend

i.e. travel, entry fees or accommodation

- e.g.
- excursions
 - incursions
 - school sports
 - work placements

Parents can be asked to pay for items, activities and services in the three Parent Payment Categories:

Essential Student Learning Items, Optional Items and Voluntary Financial Contributions.

Schools determine how items, activities and services are classified within these categories based on the learning and teaching program of their school.

Schools can request payment for Optional Items

These are items, activities or services that are **optional** and are offered in addition to the standard curriculum.

Students may access these on a user-pays basis.

These may be either:

Items the student purchases or hires

- e.g.
- school magazines, class photos
 - functions, formals, graduation dinners
 - materials for extra curricular programs
 - student accident insurance

Activities the student purchases

- e.g.
- fees for extra curricular programs or activities, such as instrumental music tuition
 - fees for guest speakers
 - camps, excursions, incursions, sports
 - entry fees for school run performances

Items and/or materials that are more expensive than required to meet the standard curriculum

- e.g.
- use of silver in metal work instead of copper
 - supplementary exam revision guides

Support for families experiencing hardship is available at every school and each school has a parent payment contact person. See your school's policy for more information.

For more information on Parent Payments and Personal Devices, visit the DET website at: www.education.vic.gov.au

Schools can invite **Voluntary Financial Contributions** for

- e.g.
- Building or Library fund (Tax deductible)
 - Voluntary contributions for a specific purpose, such as equipment, materials, services.
 - General voluntary contributions

COST SUPPORT FOR FAMILIES

There are a range of different support options available for all families to help make the costs of education more affordable.

REDUCING COLLEGE COSTS

There are a number of cost-saving strategies that Colleges can implement to reduce the impact of College costs on families.

LOWERING THE COST OF ESSENTIAL STUDENT LEARNING ITEMS

Colleges should look to engage multiple suppliers in order to offer a broad price variety and ensure supplier costs are competitive.

Colleges should outline which Essential Student Learning Items on their booklists can be supplied by families themselves (i.e. substituted for low-cost or generic versions, or substituted for items that the family already owns, e.g. stationery, uniform items, College bag, calculator).

Iron-on College logos should be available for uniform items that can be purchased at a lower cost but require a College logo, e.g. hats, skiwies.

Colleges should ensure that costs are minimised on excursions and should consider whether there are:

- *any 'hidden' additional costs built into the excursion that may be unaffordable for some students, e.g. opportunity to purchase meals or souvenirs.*
- *transport alternatives – is it appropriate for students to walk or take public transport between locations?*
- *any virtual excursion or conferencing opportunities that could also enrich student's engagement with the learning and teaching program. (For more information, see: [Virtual Learning](#), [Virtual Conferencing](#))*

SECOND-HAND STRATEGIES

Colleges need to be aware of second-hand options available for items commonly required by students and communicate these to parents (e.g. uniforms, stationery, textbooks, calculators).

Second-hand options may include:

- *A College-based uniform shop that sells both new and second-hand items*
- *Swap days at the start, middle and/or end of the year for uniforms, textbooks etc.*
- *Trading in second hand items through the College uniform or book supplier*
- *Online platforms, such as:*
 - [State Schools' Relief clk2sell app](#)
 - www.sustainableCollegeshop.com.au
 - *trading websites (e.g. gumtree) or social media networks (e.g. private Facebook groups)*

COLLEGE LOANS

Some resources can be loaned from the College for periods that can vary from daily to yearly, depending on the College and the resource. Some Colleges may require a deposit or assurance that damages will be paid for by the responsible party. Items available for loan could include text books (digital and/or hard-copy), devices, essential equipment such as graphic calculators etc.

GOVERNMENT ASSISTANCE PROGRAMS

- *The [Camps, Sports and Excursions Fund](#) provides payments for eligible students to attend camps, sports and excursions. Families holding a valid means-tested concession card or temporary foster parents are eligible to apply and a Special Consideration eligibility category also exists.*
- *[State Schools' Relief](#) may cover the cost of new College uniforms, shoes, books and more for disadvantaged students. State Colleges' Relief only responds to requests from College principals, assistant*

principals or welfare coordinators. Parents or Carers who are struggling need to make an appointment with the College to discuss their situation.

- [Student Scholarships](#) are generally awarded on the basis of academic achievement, participation in the College and local community, or financial need, but are not limited to these. The Department of Education and Training administers 35 different student scholarships, equating to approximately 250 scholarship awards as some scholarships have more than one award.

COMMUNITY ASSISTANCE

Colleges are encouraged to develop strong links with local services and welfare groups which can provide specialist support and assistance to students and families in financial crisis. Connections with local businesses can also help families by providing discounts for low income families on College-related purchases (e.g. shoes, stationery).
