

2021 Parent Payment Charges

The Parent Payment Charges set by College Council each year supplies the funds necessary to provide students with teaching and curriculum resources, ensuring a high quality and engaging education for all students.

Please read the following information carefully as it explains the 2021 Parent Payment Charges – their purpose and amounts.

The Parent Payment Charges are in line with Department of Education Policy and are broken into 3 categories.

- Part 1.1: Essential Student Learning Items – Student Stationery (parent to supply)
Essential Student Learning Items – Exercise Books & College Diary (College to purchase and invoice parents)
- Part 1.2: Essential Student Learning Items – Pay As You Go (PAYG) Items (children participate only when parents pay for the activity and sign the consent form)
- Part 2: Optional Items (you choose whether your child participates or accesses)
- Part 3: Voluntary Financial Contributions

Whilst items are labelled ‘Essential Student Learning Items’ there is no provision for schools to fund these items. Government regulations mean schools need to access these funds from parents. They are not provided from the Department of Education.

All charges are clearly itemised – see attached information.

Bannockburn College makes every effort to keep the cost and number of items that need to be purchased to a minimum. We also try to ensure that the costs are affordable for all parents. If you will have difficulty making payments, please make an appointment to speak to Fran Dillon (Business Manager) or Mandie Jervies (Administration) to discuss possible support options and flexible payment arrangements. Any information about your financial circumstances, payment arrangements or status will be kept strictly confidential.

Please Note:

- All charges for excursions, incursions and special activities will be invoiced prior to the activity/event. The activity will be added to Compass and parents will be required to pay for the activity/event and consent to their child/ren participating. If consent and payment isn't received prior to the activity/event your child/ren will not be able to participate.
- Additional charges may arise during the year. For example: Progression in sporting events or extra excursions/incursions closer to the date and a request for payment will be made at the same time. These additional charges need to be paid for in full prior to your child attending/participating in the activity.
- Students participating in ‘Optional Extra Activities’ (non-compulsory) such as camps, sporting events, overseas study tours, interstate trips, ski trips or graduation ceremonies will not be permitted to participate unless payments are up to date. Parents experiencing difficulty paying are asked to contact the Business Manager to make alternative arrangements for payment.

2021 Payment Dates

- Student Diary (Part 1.1) – Payment due by 20th January 2021
- Balance of Part 1.1: Essential Student Learning Items – Payment due by 12th February 2021
- All other payments due one week prior to the activity/event (as detailed on Compass)

Payment Options

Please refer to the Parent Handbook for payment options.

Part 1.1: Essential Student Learning Items - Student Stationery

- Parents will need to supply their child's Essential Student Learning Items - Student Stationery.
- All items on the list are required. For some items you may decide to retain from the previous year. E.g. pencil case.
- All items listed are available from Officeworks, however you are welcome to source items from a supplier of your choice e.g. Kmart, Big W etc.
- It is extremely important that you read the list carefully and ensure that you purchase the exact items listed.
- Your child should bring all items to school at the beginning of the year. This ensures they are readily available to your child when they need them. **Please ensure items are clearly named.**
